

MAROA-FORSYTH C.U.S.D. #2

REGULAR SCHOOL BOARD MEETING

January 10, 2022 – 6:00 PM

**HIGH SCHOOL – Library
610 West Washington St., Maroa, IL 61756**

Agenda

1. Call to Order
2. Roll Call
3. Pledge of Allegiance
4. Approval, To enter closed session
 - a. for the appointment, employment, compensation, discipline, dismissal, or performance of specific employees of the public body pursuant to Section 5 ILCS 120/2(c)(1).
5. Citizens Wishing to Address

Presentations

Learning & Discussion

6. COVID-19 update and procedures
7. Policy Updates 2nd reading
8. Officials Pay (2022-2023)
9. High School Curriculum Guide 2022-2023
10. Special Meeting Date
11. Committee Reports
 - a. Transportation
 - b. Policy
 - c. Facility and Finance
 - d. DDELT
 - e. Negotiation
 - f. Foundation
12. Principals' Reports
13. Other Consent Agenda Items, Discussion

Action Items

14. Approval, Consent Agenda (Any item may be removed from the consent agenda by any board member.)
 - a. Approval of the Open Minutes for the Board Meetings on December 13, 2021
 - b. Board Bills of December 2021
 - c. Financial Reports
15. Approval, Policy updates 2nd reading
16. Approval, To enter closed session
 - a. for the appointment, employment, compensation, discipline, dismissal, or performance of specific employees of the public body pursuant to Section 5 ILCS 120/2(c)(1).
 - b. for the discussion of negotiations between the District and the MFEA pursuant to Section 5 ILCS 120/2(c)(2)
17. Approval, Personnel Report as presented

18. Adjournment

Summary

Question

Individual

What buildings do your children attend?

432 responses

How do you feel about the current COVID-19 mitigation strategies at Maroa-Forsyth?

432 responses

- I feel they are adequate and make the environment safe for students to attend school in person
- I would like to see the mitigation strategies increased to prevent further spread of COVID-19
- I would like to see the mitigation strategies loosened to make school more like it was pre-COVID

Do you feel the mitigation strategies make school safer for students and staff?

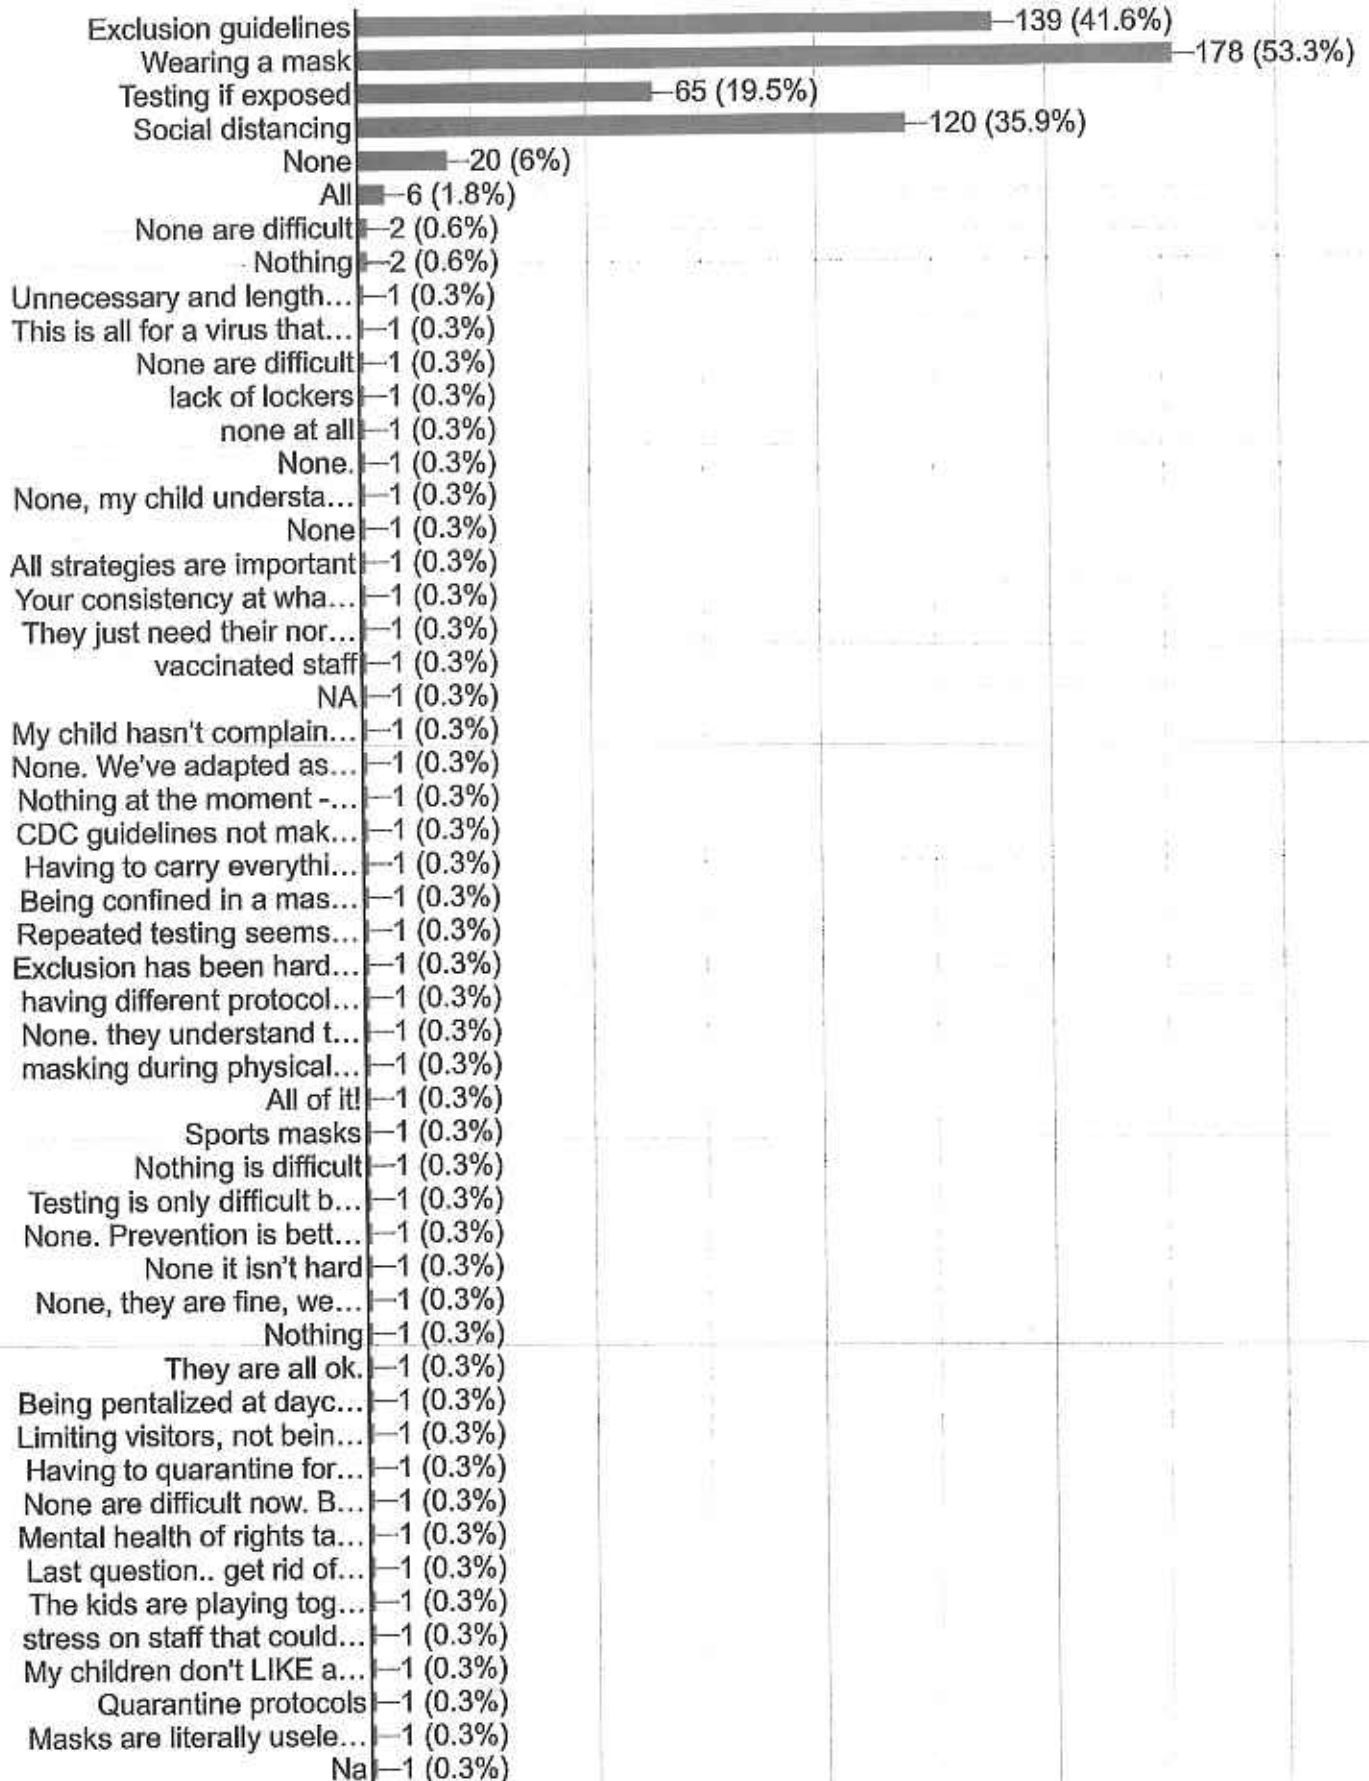

432 responses

- Yes
- No

What mitigation strategies are difficult for your children?

334 responses

If wearing a mask was optional how would you feel about your child's safety?

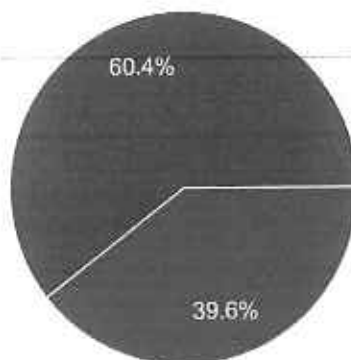

432 responses

- I feel my child would be at greater risk of catching COVID-19.
- I feel my child would not be at a greater risk of catching COVID-19
- I am not sure if the risks are higher with or without a mask

Would you support masks being optional at school if it forced more students to be excluded from school?

432 responses

- Yes
- No

Would you support site-based decision making on masks (masks would be required if numbers were over a certain percentage of students positive, then when numbers went down masking would be optional) or adaptive pauses?

432 responses

CDC Updates and Shortens Recommended Isolation and Quarantine Period for General Population

Media Statement

For Immediate Release: Monday, December 27, 2021

Contact: Media Relations
(404) 639-3286

Given what we currently know about COVID-19 and the Omicron variant, CDC is shortening the recommended time for isolation for the public. People with COVID-19 should isolate for 5 days and if they are asymptomatic or their symptoms are resolving (without fever for 24 hours), follow that by 5 days of wearing a mask when around others to minimize the risk of infecting people they encounter. The change is motivated by science demonstrating that the majority of SARS-CoV-2 transmission occurs early in the course of illness, generally in the 1-2 days prior to onset of symptoms and the 2-3 days after.

Additionally, CDC is updating the recommended quarantine period for anyone in the general public who is exposed to COVID-19. For people who are unvaccinated or are more than six months out from their second mRNA dose (or more than 2 months after the J&J vaccine) and not yet boosted, CDC now recommends quarantine for 5 days followed by strict mask use for an additional 5 days. Alternatively, if a 5-day quarantine is not feasible, it is imperative that an exposed person wear a well-fitting mask at all times when around others for 10 days after exposure. Individuals who have received their booster shot do not need to quarantine following an exposure, but should wear a mask for 10 days after the exposure. For all those exposed, best practice would also include a test for SARS-CoV-2 at day 5 after exposure. If symptoms occur, individuals should immediately quarantine until a negative test confirms symptoms are not attributable to COVID-19.

Isolation relates to behavior after a confirmed infection. Isolation for 5 days followed by wearing a well-fitting mask will minimize the risk of spreading the virus to others. Quarantine refers to the time following exposure to the virus or close contact with someone known to have COVID-19. Both updates come as the Omicron variant continues to spread throughout the U.S. and reflects the current science on when and for how long a person is maximally infectious. These recommendations do not supersede state, local, tribal, or territorial laws, rules, and regulations, nor do they apply to healthcare workers for whom CDC has updated guidance.

Data from South Africa and the United Kingdom demonstrate that vaccine effectiveness against infection for two doses of an mRNA vaccine is approximately 35%. A COVID-19 vaccine booster dose restores vaccine effectiveness against infection to 75%. COVID-19 vaccination decreases the risk of severe disease, hospitalization, and death from COVID-19. CDC strongly encourages COVID-19 vaccination for everyone 5 and older and boosters for everyone 16 and older. Vaccination is the best way to protect yourself and reduce the impact of COVID-19 on our communities.

The following is attributable to CDC Director, Dr. Rochelle Walensky:

"The Omicron variant is spreading quickly and has the potential to impact all facets of our society. CDC's updated recommendations for isolation and quarantine balance what we know about the spread of the virus and the protection provided by vaccination and booster doses. These updates ensure people can safely continue their daily lives. Prevention is our best option: get vaccinated, get boosted, wear a mask in public indoor settings in areas of substantial and high community transmission, and take a test before you gather."

If You Test Positive for COVID-19 (Isolate)

Everyone, regardless of vaccination status.

- Stay home for 5 days.
- If you have no symptoms or your symptoms are resolving after 5 days, you can leave your house.
- Continue to wear a mask around others for 5 additional days.

If you have a fever, continue to stay home until your fever resolves.

If You Were Exposed to Someone with COVID-19 (Quarantine)

If you:

Have been boosted

OR

Completed the primary series of Pfizer or Moderna vaccine within the last 6 months

OR

Completed the primary series of J&J vaccine within the last 2 months

- Wear a mask around others for 10 days.
- Test on day 5, if possible.

If you develop symptoms get a test and stay home.

If you:

Completed the primary series of Pfizer or Moderna vaccine over 6 months ago and are not boosted

OR

Completed the primary series of J&J over 2 months ago and are not boosted

OR

Are unvaccinated

- Stay home for 5 days. After that continue to wear a mask around others for 5 additional days.
- If you can't quarantine you must wear a mask for 10 days.
- Test on day 5 if possible.

If you develop symptoms get a test and stay home

###

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES 

CDC works 24/7 protecting America's health, safety and security. Whether disease start at home or abroad, are curable or preventable, chronic or acute, or from human activity or deliberate attack, CDC responds to America's most pressing health threats. CDC is headquartered in Atlanta and has experts located throughout the United States and the world.

Board Notes for Minutes:

Meeting Date: 12/13/2021

Attach Agenda

Meeting called to order at: 6:31pm

Citizens wishing to address the board:

1. Name: Natalie Toalson

Topic: Would like the School Board to make masks optional and allow the parents to decide.

Presentations:

O'Shea & BLDD

Truth in Taxation Hearing

Motion to go into hearing by: Darin Second by: Lori

Time into hearing: 6:48pm

Motion to Adjourn Meeting by: Darin Second by: Lori

Time out of hearing: 6:54pm

BINA Hearing for \$2,000,000 of HLS Bonds for the GS

Motion to go into hearing by: Lindsey Second by: Isaac

Time into hearing: 6:55pm

Motion to Adjourn Meeting by: Lori Second by: Wissam

Time out of hearing: 6:57pm

Learning & Discussion (please add any notes next to topic)

Topics:

1. COVID-19 Update and Procedures

Open discussion about voting in January about making masks optional. We will get the committee together to review policies and discuss again at the January Board Meeting. This is pending.

2. 2022-2023/2023-2024 Calendar

Put this out last month. It's created 2 years at a time. Spring Break will be shortened to Thursday, Friday and Monday to allow an early release for summer due to construction.

3. Superintendent Evaluation process and timeline

Lindsey will send survey out tomorrow and it needs to be returned by December 21st. January 7th Lindsey, Matt and Kris will review. January 10th at 6pm there will be a closed session to discuss.

4. Policy Updates 1st reading

Met last week. 4-page summary sent- reviewed by Suzie and Isaac and there were a lot of changes. One policy doesn't pertain to our district as it's districts with multiple buildings with the same grade level.

5. Substitute Teacher Pay

We haven't increased in 3 years. We need to raise our rates as other schools are increasing and we would like to compete with them. \$115 daily rate, \$140 daily rate for retired teachers and \$175 daily rate for long term subs.

6. Official Pay (2022-2023)

This will be discussed in January meeting. There is a shortage of officials similar to substitute teachers.

7. GS Recess Supervision

This position was removed during Covid, but now it needs to be posted again to ensure safety at Recess.

8. Committee Reports

Policy Committee was the only one that met. We have that report.

9. Principal Reports

No questions from the board.

Learning and Discussion

#6 COVID-19 updates and procedures

We currently have 3 known cases of high school students and 2 high school teachers. I am not sure of any other cases, but with students not being in session we aren't getting attendance reported to us.

The CDC issued new guidance. I sent that out on Monday. As of now IDPH and ISBE haven't adopted this for schools.

The current executive order is set to expire this weekend. I anticipate a new one being issued. I will watch to see if one is issued, if there are changes, and if ISBE follows CDC guidance.

#7 Policy Update

This is the second reading. The first was approved last month.

#8 Officials Pay (2022-2023)

Phil will present on this.

#9 HS Curriculum Guide

This is a yearly review. Brice will have information for you and you can ask questions.

#10 Special Meeting Date

At the last meeting it was stated that we would discuss a special meeting for the week of January 24th to discuss COVID protocols. I know one member thought mask optional was supposed to be on the agenda for a vote. I have heard back from several others that remember us stating it would be discussed and decided at the January meeting and not a vote that this meeting.

#11 Committee Reports

Several need to get scheduled. Facility and Finance, DDELT, and Negotiation need to get scheduled. I will have emailed the members of each tomorrow about dates.

#14 Principal Reports

The principals aren't back into their offices until January 7th. They will give a verbal report of anything they need to report.

CDC Updates and Shortens Recommended Isolation and Quarantine Period for General Population

Media Statement

For Immediate Release: Monday, December 27, 2021

Contact: Media Relations
(404) 639-3286

Given what we currently know about COVID-19 and the Omicron variant, CDC is shortening the recommended time for isolation for the public. People with COVID-19 should isolate for 5 days and if they are asymptomatic or their symptoms are resolving (without fever for 24 hours), follow that by 5 days of wearing a mask when around others to minimize the risk of infecting people they encounter. The change is motivated by science demonstrating that the majority of SARS-CoV-2 transmission occurs early in the course of illness, generally in the 1-2 days prior to onset of symptoms and the 2-3 days after.

Additionally, CDC is updating the recommended quarantine period for anyone in the general public who is exposed to COVID-19. For people who are unvaccinated or are more than six months out from their second mRNA dose (or more than 2 months after the J&J vaccine) and not yet boosted, CDC now recommends quarantine for 5 days followed by strict mask use for an additional 5 days. Alternatively, if a 5-day quarantine is not feasible, it is imperative that an exposed person wear a well-fitting mask at all times when around others for 10 days after exposure. Individuals who have received their booster shot do not need to quarantine following an exposure, but should wear a mask for 10 days after the exposure. For all those exposed, best practice would also include a test for SARS-CoV-2 at day 5 after exposure. If symptoms occur, individuals should immediately quarantine until a negative test confirms symptoms are not attributable to COVID-19.

Isolation relates to behavior after a confirmed infection. Isolation for 5 days followed by wearing a well-fitting mask will minimize the risk of spreading the virus to others. Quarantine refers to the time following exposure to the virus or close contact with someone known to have COVID-19. Both updates come as the Omicron variant continues to spread throughout the U.S. and reflects the current science on when and for how long a person is maximally infectious. These recommendations do not supersede state, local, tribal, or territorial laws, rules, and regulations, nor do they apply to healthcare workers for whom CDC has updated guidance.

Data from South Africa and the United Kingdom demonstrate that vaccine effectiveness against infection for two doses of an mRNA vaccine is approximately 35%. A COVID-19 vaccine booster dose restores vaccine effectiveness against infection to 75%. COVID-19 vaccination decreases the risk of severe disease, hospitalization, and death from COVID-19. CDC strongly encourages COVID-19 vaccination for everyone 5 and older and boosters for everyone 16 and older. Vaccination is the best way to protect yourself and reduce the impact of COVID-19 on our communities.

The following is attributable to CDC Director, Dr. Rochelle Walensky:

"The Omicron variant is spreading quickly and has the potential to impact all facets of our society. CDC's updated recommendations for isolation and quarantine balance what we know about the spread of the virus and the protection provided by vaccination and booster doses. These updates ensure people can safely continue their daily lives. Prevention is our best option: get vaccinated, get boosted, wear a mask in public indoor settings in areas of substantial and high community transmission, and take a test before you gather."

If You Test Positive for COVID-19 (Isolate)

Everyone, regardless of vaccination status.

- Stay home for 5 days.
- If you have no symptoms or your symptoms are resolving after 5 days, you can leave your house.
- Continue to wear a mask around others for 5 additional days.

If you have a fever, continue to stay home until your fever resolves.

If You Were Exposed to Someone with COVID-19 (Quarantine)

If you:

Have been boosted

OR

Completed the primary series of Pfizer or Moderna vaccine within the last 6 months

OR

Completed the primary series of J&J vaccine within the last 2 months

- Wear a mask around others for 10 days.
- Test on day 5, if possible.

If you develop symptoms get a test and stay home.

If you:

Completed the primary series of Pfizer or Moderna vaccine over 6 months ago and are not boosted

OR

Completed the primary series of J&J over 2 months ago and are not boosted

OR

Are unvaccinated

- Stay home for 5 days. After that continue to wear a mask around others for 5 additional days.
- If you can't quarantine you must wear a mask for 10 days.
- Test on day 5 if possible.

If you develop symptoms get a test and stay home

###

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES 

CDC works 24/7 protecting America's health, safety and security. Whether disease start at home or abroad, are curable or preventable, chronic or acute, or from human activity or deliberate attack, CDC responds to America's most pressing health threats. CDC is headquartered in Atlanta and has experts located throughout the United States and the world.

Board Notes for Minutes:

Meeting Date: 12/13/2021

Attach Agenda

Meeting called to order at: 6:31pm

Citizens wishing to address the board:

1. Name: Natalie Toalson

Topic: Would like the School Board to make masks optional and allow the parents to decide.

Presentations:

O'Shea & BLDD

Truth in Taxation Hearing

Motion to go into hearing by: Darin Second by: Lori

Time into hearing: 6:48pm

Motion to Adjourn Meeting by: Darin Second by: Lori

Time out of hearing: 6:54pm

BINA Hearing for \$2,000,000 of HLS Bonds for the GS

Motion to go into hearing by: Lindsey Second by: Isaac

Time into hearing: 6:55pm

Motion to Adjourn Meeting by: Lori Second by: Wissam

Time out of hearing: 6:57pm

Learning & Discussion (please add any notes next to topic)

Topics:

1. COVID-19 Update and Procedures

Open discussion about voting in January about making masks optional. We will get the committee together to review policies and discuss again at the January Board Meeting. This is pending.

2. 2022-2023/2023-2024 Calendar

Put this out last month. It's created 2 years at a time. Spring Break will be shortened to Thursday, Friday and Monday to allow an early release for summer due to construction.

3. Superintendent Evaluation process and timeline

Lindsey will send survey out tomorrow and it needs to be returned by December 21st. January 7th Lindsey, Matt and Kris will review. January 10th at 6pm there will be a closed session to discuss.

4. Policy Updates 1st reading

Met last week. 4-page summary sent- reviewed by Suzie and Isaac and there were a lot of changes. One policy doesn't pertain to our district as it's districts with multiple buildings with the same grade level.

5. Substitute Teacher Pay

We haven't increased in 3 years. We need to raise our rates as other schools are increasing and we would like to compete with them. \$115 daily rate, \$140 daily rate for retired teachers and \$175 daily rate for long term subs.

6. Official Pay (2022-2023)

This will be discussed in January meeting. There is a shortage of officials similar to substitute teachers.

7. GS Recess Supervision

This position was removed during Covid, but now it needs to be posted again to ensure safety at Recess.

8. Committee Reports

Policy Committee was the only one that met. We have that report.

9. Principal Reports

No questions from the board.
