#### 3. eLearning Plan Renewal Presentation - No Motion

The board heard presentations from the GS, MS, and HS principals on the updates to the proposed eLearning plans up for renewal and adoption. Each plan is a mixture of synchronous and asynchronous instruction that will include a combination of live Google Meets and independent work. The plans stress the need for attendance and accountability for all students and staff. Five hours of instruction counts as a full school day. The renewal of the plan would permit the use of eLearning days in place of emergency days giving more flexibility and allowing for a predictable school calendar.
